

SOUTH PACIFIC PRIVATE

Australia's Leading Treatment Centre

Family Education & Support Group

**Are you concerned about a friend or family member
struggling with an addiction, depression or anxiety?
Are you worried about your own wellbeing?**

South Pacific Private's Family Education and Support Group is designed to meet the needs of people who want to know more about addictions, depression, anxiety or relationship issues.

Often, by the time people find their way to SPP they are exhausted by the cycle of despair that accompanies untreated addictions and mood disorders. We believe the more informed you are, the easier it is to make decisions that will support your friend, family member, or even yourself, in dealing with these issues.

The Family Education and Support Group meets for 2 hours on a Wednesday night and is hosted by a Senior Therapist. The program runs on a 4 week rotating cycle and is ongoing.

Come along to the Family Education and Support Group to:

- Learn to help someone you care about struggling with an addiction or mood disorder
- Gain support and discussion with other people struggling with the same problems
- Learn more about addictions and the underlying issues, co-dependency, and family systems
- Learn more about the SPP approach to treatment for addictions and mood disorders

When: Wednesday evenings - 6.00pm - 8.30pm

Where: South Pacific Private, 24 Beach Street, Curl Curl

Cost: \$300 for 4 sessions (\$75 per session)
